

HERE'S WHAT'S COMING UP TODAY AT #BMES2021

The BMES Board of Directors, Annual Meeting Co-Chairs, and staff would like to welcome you all to the 2021 BMES Annual Meeting! It's our very first hybrid meeting, and we're so excited you're able to join us, whether it be in-person or virtually!

If you are attending in person, upon arrival, look for the registration kiosks. You will be able to scan the QR Code from your confirmation email to print your badge and get event tickets.

NOTE: Regardless of whether you're a virtual attendee, or an in-person one, we ask that you use the [virtual platform](#) for the duration of the meeting. This will be the best way to network with other attendees, receive real-time updates like potential changes to the program, and watch any sessions you might have missed.

COVID-19 Safety Precautions

We want to make sure everyone is as safe as possible. Please be sure to adhere to our mask mandate throughout the meeting space, maintain a no-touch policy, and stay socially distant when possible. You can view all our policies [here](#). As an added layer of protection for our attendees, we plan to conduct temperature checks upon registration.

We have two opening day events on Wednesday!
