

# Building Material Suppliers Association Spring 2026 CFO Roundtable & Training Conference May 13-15, 2026

This conference will include presentations and discussions on current-day issues pertinent to CFOs in the building materials industry. Topics will include a comprehensive annual financial review and analysis of each member company's results and a comparative review of the entire group. Standard financial analysis metrics will be presented and reviewed. In addition, all participants will discuss business decisions and issues they have addressed in their organizations and provide updates on those solutions, as well as discussions on current issues and topics. The conference will also include a site visit to a member facility to critique and review operating best practices.
