Members Only

Please place a check mark inside the white boxes to the left of each group you wish to join.

Advocacy

Monitors, studies and recommends policy and advocacy strategies on legislative and regulatory matters affecting the commercial real estate industry. The AC meets throughout the year, most heavily during the state legislative session in the first quarter.

Allied Partners

A unique and effective resource specifically designed for BOMA Greater Phoenix allied members, which also creates a supportive interaction between allied and principal members.

Engineers

Provides professional development, facilitates a premier networking forum for building engineer professionals and promotes best-practices within the commercial real estate industry.

Fall Gala / TOBY

Plans and executes this annual BOMA signature event. Our Fall Gala offers our membership the chance to network and enjoy a night of entertainment while recognizing excellence among the membership and the commercial real estate industry. This committee also plans and prepares for The Outstanding Building of the Year Awards every two years.

Golf Tournament

Plans and executes BOMA's annual golf tournament in the spring.

Membership & Media

Plans and conducts ongoing membership recruitment and retention programs of the association, as well as implements new-member engagement strategies. Works to promote communication regarding the association's mission both internally to our membership and externally to the commercial real estate industry.

Programs & Events

Provides a broad range of topical and entertaining luncheon programs, educational seminars, often working in tandem with other committees to plan and host the events. *(Includes: Emergency Preparedness, Green Buildings, and Professional Development).*

Young Professionals Group (YPG)

This committee brings together emerging leaders to learn, network and give back to the community through quarterly service projects. Prepares and mentors the next generation of commercial real estate professionals, including engineers and administrative roles, committee members must be under 35 years of age.
