Participation Requirements

To maintain Allied Membership, companies must meet the following annual participation minimums:

- Attend at least **three (3) luncheon events** per year
- Participate in the **Expo** as an exhibitor, sponsor, or attendee
- Participate in the **Golf Outing** with a foursome, booth, or sponsorship
- Attend **one (1) Philanthropic Day of Service**

These requirements are designed to help you maximize your membership and stay connected with the BOMA community. If requirements are not met by **December 1** each year, a renewal invoice will not be issued and membership will lapse. Companies wishing to return must rejoin the waitlist.
