

2022 CAMME AWARDS KEY PROGRAM DATES

APPLICATION (ENTRY FORM) SUBMISSION PERIOD

Applicants will have from **November 3 – November 19, 2021** to sign into OpenWater, the event software, and submit their applications (entry forms). *No materials are due* until the Entry Material Submission Period in early January 2022. Invoices will be generated, and payment will be due prior to the entry material submission.

Please note that each category must have at least 2 entries in order to compete. After the application submission period is closed, CAA will identify categories with only 1 entry and if unable to solicit another entry, will notify the entrant that the category will not be eligible, and a refund will be granted.

FINAL NOTE TO THOSE PLANNING TO APPLY/ENTER: applicants should make sure to review all the materials required of applicants in the category they plan to enter (as well as the judging dates), as these dates will all be strictly adhered to.

ENTRY MATERIAL SUBMISSION (UPLOAD) PERIOD

Applicants will be able to upload the materials for their applications (see 2022 CAMME Category Guide for details on requirements for each category) from **January 5 – January 14, 2022**. **No exceptions will be made** for applicants who do not submit their materials on time, and payment will still be due.
