

## *RPM Careers Week April 20–24, 2026*

Thank you for participating in RPM Careers Week 2026 in partnership with the Chicagoland Apartment Association!

**RPM Careers Week runs April 20–24** and we're again taking this opportunity to spotlight our members, the career opportunities available in our field, and share why we love and support the residential property management industry. This social media toolkit focuses on two programs being executed during this week in April:

❖ **RPM Careers Week (April 20–24)**

From April 20 to 24, help us raise awareness about RPM Careers Week by showing off your work and encouraging job seekers to consider careers in residential property management. Join us by sharing your photos or videos of a maintenance professional superstar on your team, a teammate who has had an impact on your career or write a short post about how your team members landed in their RPM career, along with photos of team members on the job. There are many ideas and sample posts provided in this toolkit that can be tailored and shared on your channels throughout the week! Please be sure to use the following hashtags: **#RPMCareers** **#CAAPTS**

❖ **Apartment Onsite Teams Day (Wednesday, April 22)**

Apartment Onsite Teams Day is an integral part of the week's celebrations and an opportunity to highlight the hard work of vital, on-site property teams. This is a fantastic opportunity to show appreciation for the residential property management industry's onsite staff who keep our apartment communities safe and thriving. Show off your work and inspire job seekers to consider careers in residential property management by sharing photos of your team across your social media channels to raise awareness about *Apartment Onsite Teams Day* and encourage your team to post photos and use the hashtags **#APTTeamsDay** and **#CAAPTS**.

Social media gives us a wonderful opportunity to interact directly with our communities to highlight our industry's essential workers and career opportunities in residential property management. Your onsite teams have labored tirelessly to keep things running smoothly while addressing complex issues in an environment of extreme uncertainty over the past few years – let's celebrate them and inspire more talent to join the industry!

In this toolkit, you will find several sample posts that can be used in crafting your messaging for use on Facebook, Instagram and LinkedIn to build awareness and celebrate RPM Careers Week.

\* Additionally, NAA's **RPM Careers Week Toolkit** includes recommended celebrations to host throughout the week, and ways in which your team can take part in challenges to win prizes!

\*\* Anyone who shares a post for RPM Careers Week and uses the hashtag **#CAAPTS** will be entered into a raffle for a \$50 gift card.

*\* Be sure to tag the CAA's channels so we can help amplify your team's efforts:*

### OTHER IDEAS FOR ORGANIC CONTENT/POSTS:

- ❖ **Leadership & Support Services Monday (April 20):** Post a photo or video about your leadership/support services team or professional and why they make your company awesome. In a caption, let us know how they nurture your talents, build up their team and how they serve the staff and the community in the best way possible.
- ❖ **Maintenance & Service Professional Tuesday (April 21):** Post a photo or video of your maintenance team or a maintenance technician in action and tell us what makes them so valuable to your community; share a short message about how they've had a positive impact on your team.
- ❖ **Super Supplier Collaborator Thursday (April 23):** Post a photo or video of your favorite supplier collaborator (point of contact/individual) and share how they help your property, whether that's making your onsite team's day easier, interacting with residents and staff with a positive disposition, or how they're just invaluable to your operation.
- ❖ **Why I Love My RPM Career Friday (April 24):** Post a selfie/photo of yourself or create a video at your property and include a two-to three-line caption telling us why you love your RPM career. Invite your team to participate by sharing a short post about how they landed their RPM career, along with a photo of them at work.

**\*\*BE SURE TO INCLUDE OUR HASHTAGS: #RPMCareers #CAAPTS**
