

# BECOME A SUMMER JOB PARTNER

CHICAGO

Urban Alliance (UA) connects young people to equitable, inclusive career pathways through paid work experiences, mentorship, and professional development. Our public and private partners have helped change the life trajectories of thousands of young people, while generating benefits for their businesses. UA's Summer Internship Program provides young adults with valuable professional exposure and work experience as they pursue their career goals.

## UA Job Partner Perks

- Provide emerging leaders with management experience
- Boost employee morale and retention
- Increased capacity and productivity through intern support
- Meaningful engagement with the community
- Establish a local talent pipeline

Every young adult that Urban Alliance works with seeks additional professional opportunities, a chance to expand their networks, and is eager to use their skills and experience to support a company's goal.

## Your Role as a UA Job Partner

- Host interns from June 26, 2023 to August 4, 2023.
- \$3,000 service fee to cover intern salaries, case management assistance, and post-program services.
- On-site, one-on-one team member (mentor) to oversee intern professional development.
