

### **Kathleen Stillwell, RN, MHSA, MPA, CPHRM**

Kathleen Stillwell earned master's degrees in public administration and health services administration. She is a registered nurse and Certified Professional Health Care Risk Manager (CPHRM). Ms. Stillwell is a nationally recognized expert in healthcare risk management with over 39 years of experience in clinical risk management, professional liability claims management, compliance, and high-risk underwriting. Her expertise includes hospitals, medical practices, and integrated healthcare organizations. She is a frequent speaker at conferences, and authors articles for TDC articles and health care publications.

Ms. Stillwell serves at Chapman University, Leadership Council for Crean College of Health and Behavioral Sciences in Irvine, CA. She has served on the University of California Riverside Advisory Board for Women in Leadership Program. Kathleen was a member of Brandman University Nurse Advisory Board, and volunteer coach for physicians and nurses for the California Medical Association Care 4 Caregivers program. She has served as faculty for the American Society for Healthcare Risk Management and is published in the American Hospital Society Risk Management Handbook for Healthcare Organizations.

Kathleen has held numerous leadership positions with national and state risk management and quality organizations, including past Board Member for the American Society for Quality (ASQ), Healthcare Division, President of the CA State Patient Care Assessment Council, Board member for the California League of Nursing, adjunct faculty for Woodbury University and the University of San Francisco. She served on the Advisory Board of King International, Inc. and is a Charter Member of the Business Renaissance Institute.
