

## The Jerome Biblical Commentary for the Twenty-First Century

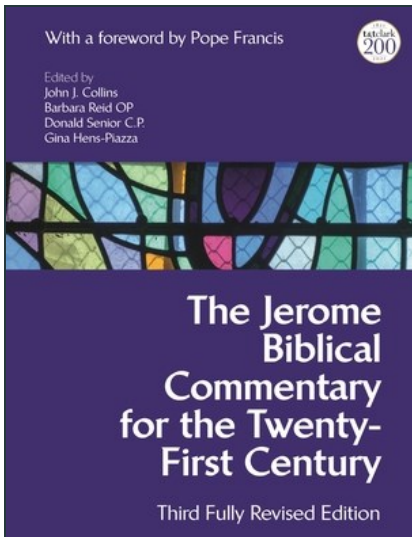

### The Jerome Biblical Commentary for the Twenty-First Century

Third Fully Revised Edition

3rd Edition

Edited by John J. Collins, Gina Hens-Piazza, Barbara Reid OP & Donald Senior C.P.

"The Bible is the book of the Lord's people, who, in listening to it, move from dispersion and division towards unity. The word of God unites believers and makes them one people. That is the importance and mission of biblical scholarship at the service of the community of faith, the type of scholarship exhibited in this volume of biblical commentaries." *Pope Francis, Vatican City*

The Jerome Biblical Commentary has, since 1968, been essential reading for all Catholics who wish to deepen their knowledge and understanding of the Bible. It is a landmark of Catholic biblical scholarship, the first port of call for priests, preachers, students and scholars, and all those lay people who like to keep a one-volume Biblical commentary in their home to enlighten their reading of the scriptures.

In this new fully revised edition, the publication of which has been welcomed by Pope Francis (who has also written the foreword), the entire content of the commentary has been revised to bring it up-to-date with the very latest scholarship, featuring the leading international Catholic scholars of our day. Whilst based on the historical critical method of Biblical study, the contributors draw in a range of more contemporary approaches to the biblical texts. The pool of contributors has also been broadened outside north America and Western Europe to include a more diverse range of perspectives, ensuring that the Jerome speaks more comprehensively to a global Church. The 'General Articles' section has been revised to include articles on new approaches to the study of the bible and on the interpretation of the bible in diverse pastoral contexts.

This magnificent third edition will be essential reading for all those who possess existing editions of The Jerome; but it will also find a new generation of readers, eager to engage the scriptures within the tradition and teaching of the Church.
