Committee on Nominations – Code of Ethics

Each year the Committee on Nominations invites Full Members of the Association to nominate other Full Members to open committee positions, inclusive of open Executive Board positions. With the exception of Executive Board nominations, if a nominated member is currently serving on the Nominations Committee at the time of their nomination, then that member shall recuse themselves from any discussion and voting pertaining to their candidacy for a committee(s). In the case of Executive Board nominations, members of the Committee on Nominations shall neither self-nominate nor nominate other members serving on the Committee on Nominations.

Adopted by the Executive Board at its March 19, 2025 Meeting.
