

# COST

The different categories afford you the opportunity to benefit from a collective array of CBA services that would otherwise be more costly if purchased individually. Each level is pro-rated based on the date of approval. Please do not send membership dues with application.

Both categories will continue to have additional opportunities to support and sponsor CBA events.

If you have any questions please call or e-mail Yvonna Hansen, Vice President of Member Services, at (785) 271.1404 or email at [yvonna@cbak.com](mailto:yvonna@cbak.com)

ASSOCIATE  
MEMBERSHIP

Founded in 1978, the Community Bankers Association of Kansas (CBA) is dedicated to providing professional leadership, education, and information with integrity and responsiveness to help its members successfully adapt to economic, regulatory, and competitive change.

Through publications, seminars, and conferences, CBA offers its associate members the opportunity to stay in close touch with industry, legislative, regulatory, and market developments that are influencing their future.

CBA offers Associate Memberships to businesses interested in supporting the purpose and goals of CBA and its members.

Associate members are typically product vendors and professional service providers who have identified financial services as their target market.

CBA maintains two membership categories; “Classic” and “Executive” level memberships.
