

The Rising Star Award 2026

OVERVIEW

The Rising Star Award was established by the Community Bankers of Michigan in 2019 as a way for member institutions to recognize an outstanding banker, who is not a President or CEO, whose involvement and dedication signifies the best of community banking.

Community Bankers are uniquely committed to serving their customers...and their communities. Each year, we select one or more individuals whose achievements in banking and community involvement have earned the respect of bank leadership and their community. Award recipients will represent the best in future leadership for community banking in the state of Michigan. The recipient will receive the award at the CBM Annual Convention.

CRITERIA

- Notable individual achievements in banking
