Bunny Bait Plate

POTTERY

SUPPLIES

Bisque: 8" square salad plate

Pattern

Tissue paper

Pencil

Sharpie marker

Thin liner brush

Medium round brush

GLAZE COLORS

Bright Orange, Teal Blue, Pea Green, Cream

Writer bottles: Pea Green, Cream, Teal Blue, Bright Orange

DIRECTIONS

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.) Don't trace the lettering yet.
2. Paint the carrots and the rectangles at the bottom of the crate with 3 coats of Bright Orange.
3. Paint the crate with 3 coats of Teal Blue, avoiding the center oval.
4. Paint the carrot tops with 3 coats of Pea Green.
5. Paint the oval label with 3 coats of Cream.
6. Using a Pea Green writer bottle, outline the crate and the carrots.
7. Using a small brush, paint Cream dots on the 2 outside carrots and add highlighting to the carrot tops.
8. In the center carrot, add a plaid pattern with Cream writer bottle.
9. Reposition the tissue tracing and trace the lettering in the center of the label. Fill in the letters with a Teal Blue writer bottle.
10. Using writer bottles, make alternating dots of Teal Blue and Bright Orange around the edge of the oval label. Let dry.
11. Glaze and fire to Cone 06.

GLAZE COLORS

White, Teal Blue, Purple, Taupe, Coral, Black
Writer bottle: Black

DIRECTIONS

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.)
2. Paint the innermost section with 3 coats of White.
3. Paint the next rainbow section and the outer section of the ears with 3 coats of Teal Blue.
4. Paint the next rainbow section and the inner ears with 3 coats of Purple.
5. Paint the next rainbow section and the feet with 3 coats of Taupe.
6. Paint the last section of the rainbow and the bunny nose 3 with coats of Coral.
7. Paint the paw pads of the bunny feet with 1 coat of White.
8. With a small liner brush or a writer bottle, outline each section of the design with Black. Paint the smile, the whiskers, and the teeth shapes and add dots for eyes with Black.
9. Slightly water down Coral and Purple. Lay a paper towel (or use the tissue paper from your tracing) over the painted design. Dip a paintbrush in the watered-down Coral and tap on an extended finger to create splattered drops over the background. Repeat this step with Purple. Let dry.
10. Glaze and fire to Cone 06.

Writer bottle: Black

DIRECTIONS

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.) Don't trace the lettering yet.
2. Cut out each paper shape from the printed pattern and place in the corresponding location on plate.
3. Working on one shape at a time, apply a thick coat of Cream to the paper piece with a fan brush and place
4. After all shapes have been painted and placed, use a fan brush to apply 2 heavy coats of Taupe to the entire platter. While still wet, lay cheesecloth over the platter and press onto the surface. Let dry.
5. Apply 1 coat of Cream over the surface.
6. Allow to dry halfway, then pull up cheesecloth and paper pieces.
7. Reposition the tissue tracing on the platter and trace the lettering onto each section.
8. With a black writer bottle, fill in the lettering and make the dotted lines around each shape. Let dry.

DIRECTIONS

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.)
2. Cut out the paper hearts and the tag shape from the paper pattern.
3. Slightly water down each color as you apply them to the plate. Starting with 2 coats of Yellow, paint a diagonal stripe about 1" wide across the plate.
4. Add Orange to the same brush and paint a 1" stripe, slightly overlapping the Yellow. Repeat this step with Light Blue followed by Mint Green paint.
5. Dip and dampen each paper heart shape and the tag shape and lay onto its corresponding traced shape and press them down. (First retrace the hearts if they don't show through the painted stripes.)
6. After all hearts are secured, paint the entire plate with 3 coats of Teal Green.
7. Once dry, remove the paper shapes.
8. Paint the tag with 3 coats of Gray.
9. Use a black writer bottle to fill in the letters on the hearts and the tag and outline them.
10. To create the look of a bouquet, use the Black writer bottle to make lines that meet in the bottom area, starting at the bottom of each heart. Also add a squiggle line to connect the tag to the bunch. Let dry.

GLAZE COLORS

Bright Green, Bright Light Blue, Coral, Orange, Medium Green, Pink

Writer bottle: Black

DIRECTIONS

1. Place tissue paper over the pattern and trace the lettering with a pencil with a pencil. Set aside for later.
2. Cut out 10–12 of the bunny shapes from the printed patterns.
3. One by one, paint a bunny shape with a heavy coat of color and press color side down onto the plate. Be sure to smooth them out gently to avoid having color squish out the sides. Alternate colors to avoid placing the same color bunnies next to each other.
4. Once all bunny shapes have been placed, remove them before the cutouts are fully dry.
5. Once the bunnies are dry, position the tissue tracing of the lettering on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.) As you work, move the tracing as needed to arrange the words around the edge of the plate.
6. Fill in the lettering with a Black writer bottle or thin liner brush.
7. Using the Black writer bottle, make 2 dots for eyes and an upside down heart for the nose.
8. Dip the back end of a paintbrush in Black and add dots around the edge of the plate. Be sure to keep dipping into the color to keep the size of the dots consistent. Let dry.

SUPPLIES

Low-fire white clay with light grog
Wooden skewer
Pattern
Toothbrush
Round brushes in assorted sizes
Picture of finished project as sculpting and painting guide

GLAZE COLORS OR ACRYLIC PAINT COLORS

Yellow, Teal Blue, Coral, White

DIRECTIONS

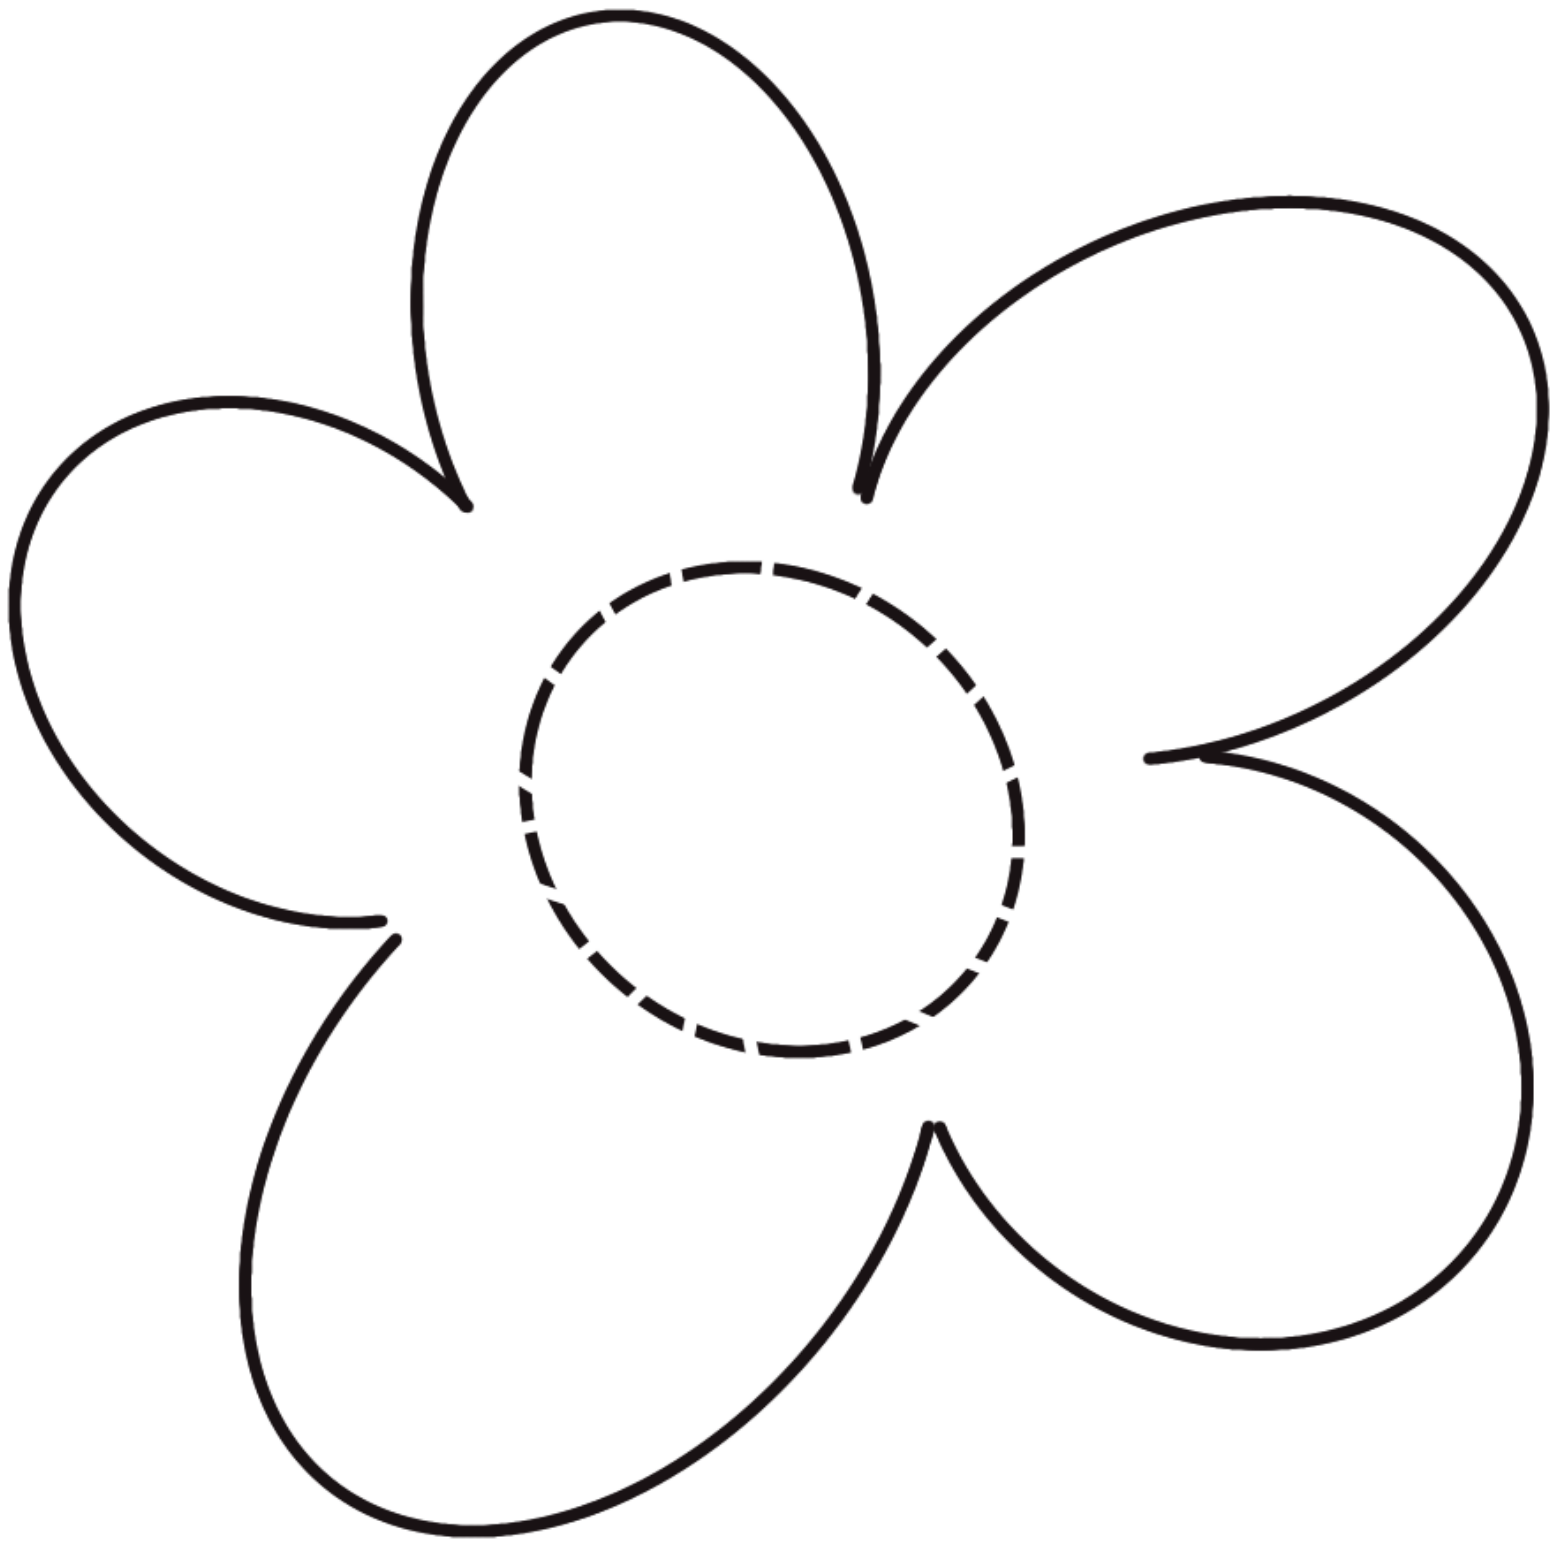

1. Roll out 8" square clay slab, ½" thick.
2. Place the pattern pieces on the clay. Trace the daisy shape with the skewer and cut out. Smooth the edges.
3. Cut three 1.5"x2" pieces from the extra clay. Starting at the 2" side, roll up the cut piece to create a foot for the dish. Tap each end of the rolled cylinder to create a flat spot.
4. Score areas on the back of the daisy shape in a triangle formation and clay-glue the feet in place. Turn the footed dish right side up and lightly tap it on the table to create flat bottoms on the feet so it will sit level.
5. Curve the edges of the daisy shape upwards to form a dish. Let dry.
6. If using glazes, paint with glazes and then fire to Cone 06. Or fire to Cone 04, then paint with glazes, then dip and fire to Cone 06.
7. If using acrylic paints, fire to Cone 04 or Cone 06, then paint.
