Love You to the Beach and Back Dish Pottery Painting Project

Supplies

Bisque: Square or round 10" plate
 Pattern
 Pencil
 Tissue paper
 Sharpie marker
 Contact paper
 Sharpie
 Shallow cup, dish soap, and straw for bubble technique
 Sponge
 Assorted brushes
 Sponge dotter, medium and small
 Medium and small sponge dotters
 Writer bottle

Glaze Colors

Light Blue, Darker Blue, Tan (or other skin color), Red, Black

Directions

1. Trace the pattern onto tissue paper, tracing the feet separately from the heart so they are two separate patterns. (You do not need to trace the toes; they'll be added with a sponge dotter.) Place the tissue paper patterns onto contact paper and trace over them with a Sharpie.
2. Cut out the contact paper patterns and apply the feet to the center of the plate. (Set aside the heart to use later.)
3. Sponge paint the entire plate with 1 coat of Light Blue.
4. Combine equal parts of Darker Blue and water in a shallow cup. Add a few drops of soap and mix. Blow into the straw to make bubbles. If there are not a lot of bubbles, add a tiny bit more soap and repeat the process.
5. Let the bubbles fall onto plate. Move the plate beneath the cup to ensure the entire plate is covered with bubbles. (Note: Advise painters to be careful not to tip the cup; you don't want it spilling onto the plate.)
6. Allow the bubbles to pop on their own. Once all the bubbles have popped, use a sponge to soak up the extra bubble mix that will puddle in the middle of the plate.
7. Remove the feet sticker.
8. Apply the heart cutout in the center of the feet, aligning the left top edge of the heart on the inside of left side of the feet.
9. Using skin color and a round brush, paint 3 coats on the feet portion of the pattern.
10. Remove the heart sticker. Using a round brush, paint the heart with 3 coats of Red.
11. Create the toes using a medium dotter for the big toe and small dotters for the other toes.
12. Trace the lettering onto the plate using the tissue paper technique and fill in with a Black writer bottle.
13. Glaze and fire to cone 06.
