BUBBLE BLIZZARD PENGUIN Pottery Painting Project

Supplies

Bisque: Coupe charger
 Pattern
 Tissue paper
 Pencil
 Sharpie marker
 Dish soap
 Water
 2 small cups
 Drinking straw
 Small and medium round brushes

Glaze Colors

Dark Gray, Light Gray, Bright Blue, White, Black, Red, Orange
 Writer bottles in White and Black

Directions

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.)
2. In a small cup, mix equal parts water and Dark Gray with 3–4 drops of dish soap. Use a straw to blow bubbles into the mixture and let it overflow the cup and fall onto the plate. (Be careful not to tip the cup to avoid spilling liquid on the plate.) Allow to dry.
3. Repeat step 2 using Light Gray. Allow to dry.
4. Paint the penguin with 3 coats of Black. Paint the belly with 1 coat of slightly watered-down Bright Blue.
5. Paint the hat with 3 coats of Red and the brim with 3 coats of White.
6. Paint the candy cane stripes with 3 coats, alternating Red and White.
7. Paint the fish and the beak with 3 coats of Orange.
8. Use a White writer bottle to make the snowflakes and the eyes.
9. Use a Black writer bottle to add pupils to the eyes and make the lines near the top of the plate.
10. Splatter paint snow dots with watered-down White. Allow to dry.
11. Glaze and fire to Cone 06.

Supplies

Bisque: Large mug
Pattern
Tissue Paper
Sharpie
Small and medium round brushes

Glaze Colors

Red, Light Teal, Taupe, Teal
Writer Bottle in White

Directions

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the hourglass design (including the interior heart designs) onto the mug with a marker. (The marker will bleed through the tissue, transferring the design.)
2. Paint the background of the mug with 3 coats of Light Teal. Do not paint the handle yet.
3. Paint the big heart and the handle with 3 coats of Red.
4. Paint the inside of the mug and the top and bottom rims, and the underside of the base with 3 coats of Taupe.
5. Trace the lettering on the mug using the tissue paper technique.
6. Fill in the "I love you" with a White writer bottle
7. Fill in the "so much" with a Red writer bottle.
8. Add a few small hearts near the bottom of the hourglass with a Red writer bottle. Allow to dry.

REINDEER EXPRESS Pottery Painting Project

Supplies

Bisque: Square coupe charger
 Pattern
 Pencil
 Sharpie marker
 Contact paper
 Scissors
 Sponge
 Toothbrush
 Small and medium round brushes

Glaze Colors

Pastel Blue, White, Red, Teal Blue, Taupe, Medium Brown, Gray Brown, Cream, Maroon, Black, Dark Gray, Light Gray,
 Writer bottles in Dark Brown, Black, White

Directions

Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.)

1. Trace the whole pattern onto the tissue paper with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker—for now, trace only the bus outline (but not the tires).
2. Using the same technique, trace the outlines of the windows and of the lettering onto contact paper. Cut out and stick to the plate following the pattern. Number the windows if needed to match correct window sizing.
3. Sponge paint the background of the plate, up to the edges of the bus, with 2 coats of Pastel Blue.
4. Dip a toothbrush in White and speckle over the sponge-painted area.
5. Paint the bus with 3 coats of Red. Once dry, peel up the window and banner stickers.
6. Paint the banner space with 3 coats of Teal. Allow to dry.
7. Reposition the traced pattern over the bus and transfer the reindeers, Santa, and lettering.
8. Paint the reindeers with 2 coats of Taupe, Medium Brown, and Gray Brown, following the sample for color placement.
9. Paint Santa with 2 coats of Cream for skin; White for hat brim, mustache, and beard; maroon for jacket and hat; and black for glasses. Outline the beard in Gray.
10. Paint the bus grille Light Gray. Add the grille lines in Dark Gray.
11. Paint REINDEER EXPRESS with a White writer bottle.
12. Using Black writer bottle, paint the tires in scribble lines (no solid coverage). Allow to dry.
13. Glaze and fire to Cone 06.

 Pencil
 Sharpie marker
 3"x3" bubble wrap
 Small and medium round brushes

Glaze Colors

Light Teal, White, Light Gray, Coral, Dark Teal, Black
 Writer bottles in Teal, Dark Teal, Brown, Black, Pink, Orange

Directions

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.)
2. For the background, paint a wash of 2 coats of Light Teal. Paint a piece of bubble wrap with White, and quickly press this onto the blue painted background.
3. Paint the snowman with 1–2 coats of White. Outline each section of the snowman (the two outer rings) with Light Gray.
4. Paint the scarf with 2 coats of Dark Teal. Using a Teal writer bottle, make stripes along the scarf and outline the scarf edges.
5. Paint the hat with a Teal writer bottle. Outline the hat with a Dark Teal writer bottle.
6. Paint the stick arms with a Brown writer bottle.
7. Paint the tongue with a Pink writer bottle. When dry, outline with a Black writer bottle and also use this for the eyes.
8. Make a carrot nose with an Orange writer bottle.
9. Using a Light Teal writer bottle, paint snowflakes in various sizes.

SNOWMAN'S COUNTDOWN TO CHRISTMAS Pottery Painting Project

Supplies

Bisque: Coupe charger
Pattern
Tissue paper
Pencil
Sharpie marker
Small sponge dotter
Small and medium round brushes

Glaze Colors

Black, Red, Bright Green, Green, Orange, Pink, Teal
Writer bottles in Green, Black, Red, White

Directions

1. Place tissue paper over the pattern and trace the design with a pencil. Position the tissue tracing on the bisque and retrace the design with a marker. (The marker will bleed through the tissue, transferring the design.) Don't trace the lettering yet.
2. Paint the hat with 3 coats of Black.
3. The bowtie is composed of holly leaves and berries. Alternating between Bright Green and Green, paint a leaf on each side with 3 coats. When dry, outline the Bright Green leaves with a Green writer bottle.
4. Paint the berries with 3 coats of Red. When dry, outline with a Black writer bottle.
5. Paint the nose with 3 coats of Orange. When dry, outline with a Black writer bottle.
6. Dip a sponge dotter in Pink and make two dots for the cheeks. If necessary, repeat this step to achieve a brighter color.
7. Paint the eyes and smile with a Black writer bottle.
8. Reposition the tissue tracing and transfer the lettering to the hat. Fill in the letters with Red, Green, and White writer bottle.
9. Paint the small areas of the background Teal. This will help define the shape of the snowman's head.
10. Glaze and fire to Cone 06.
11. After firing, use a dry erase marker to write the countdown number on the holly berries.

JOLLY TREE & COMPANY PLAQUE Clay Project

Supplies

- Low-fire white clay with light grog
- Pattern
- Wooden skewer
- Picture of finished project as sculpting and painting guide
- Round brushes in assorted sizes
- Toothbrush for scoring
- Twine, ribbon, fun wire, or wired tinsel for hanging

Glaze Colors or Acrylic Paint Colors

Green, Red, White

Directions

1. Roll out 2 slabs of clay about 8"x10" each. Trace the tree on one slab and the van on the other and cut out with a skewer.
2. Using the skewer, draw the window and tire outlines on the van.
3. Clay glue the tree on top of the van at a slight angle.
4. Use a skewer to add to holes at the top of the plaque for hanging.
5. If using glazes, paint with glazes and then fire to cone 06. Or fire to cone 04, then paint with glazes, then dip and fire to cone 06.
6. If using acrylic paints, fire to cone 04 or cone 06, then paint.

PEPPERMINT CANDY HANDS Clay Project

Supplies

Low-fire white clay with light grog
 Wooden skewer
 Pattern
 Dessert-size Chinnet plate
 Picture of finished project as sculpting and painting guide
 Round brushes in assorted sizes
 Toothbrush for scoring

Glaze Colors or Acrylic Paint Colors

Your choice!

Directions

1. Roll out a 10"x10" slab of clay.
2. Turn the paper plate upside down and press down slightly to create a circle imprint on the clay.
3. Align the beginning of the left palm at the edge of the imprinted circle. Press the fingers down in the clay. Repeat on other side with the right hand. NOTE: Do not press the thumb into clay, only fingers.
4. Place the upside-down plate on the circle again. Using a skewer, trace around the plate along the top and bottom section and around the lines where the handprints are.
5. Cut out along the traced lines. Smooth the edges.
6. Place the cut-out design into the paper plate, centering the circle of the cutout on the plate. Press the center of the clay into the plate.
7. NOTE: When drying the clay, the "wrapper" (finger-imprinted edges) needs to be propped up with rolled paper underneath until fully dry.
8. If using glazes, paint with glazes and then fire to cone 06. Or fire to cone 04, then paint with glazes, then dip and fire to cone 06.
9. If using acrylic paints, fire to cone 04 or cone 06, then paint.

using the painted paper technique for the house.**

Supplies

- 12"x12" canvas
- Pattern
- Graphite paper
- Pencil
- Assorted colors of tissue paper, cut into 2" squares
- Clear school glue
- Assorted square (large and medium) brushes and small liner brush

Acrylic Paint Colors

Light Blue, White, Gray, Black, Red

Directions

1. Trace the pattern onto the canvas with graphite paper.
2. Background: Paint the top section Light Blue. Add White to the Light Blue and paint the middle section. Paint the bottom section White. To create snowflakes, dip the brush in water and then White and speckle the background.
3. House: Paint the roof and the post Gray. Add White to the Gray and paint the house part. Paint the circle entrance Black.
4. Bird: Paint the bird body Red. Paint the legs and beak Black. Add dot of White paint for the eye.
5. Tear the tissue paper squares into smaller pieces. Paint the house under the roof area with a light coat of glue. Press the tissue paper shapes into the glue until the entire house is covered. The torn tissue pieces should touch and some will overlap, but use the cut edges of the papers along the edge of the house to keep a straight line.
