

2023 Conference Sponsorship & Exhibitor

The Coalition for Home Repair is excited to partner with your organization for the 13th annual [ReFrame Conference](#). This hybrid event will be hosted at the MeadowView Marriott in Kingsport, Tennessee and online on November 8-10, 2023, with preconference November 7th.

Who Attends ReFrame Conference?

ReFrame Conference is attended by home repair construction & modification professionals, board members, and volunteers, as well as housing development government officials and affordable housing preservation advocates in the nonprofit and for-profit sectors.

Our home repair member organizations provide free or reduced cost home repairs to low-income people across the country. The majority of nonprofits attending will have an employee at the event with purchasing power and decision-making authority.

The conference will be attended by about 150 people from approximately 50 home repair organizations serving in over 40 states. There will be some virtual attendees for the keynote presentations, but most are expected to attend in-person. Coalition for Home Repair members include nearly 100 organizations that facilitated 305,000 volunteers repairing the homes of 37,000 low-income families in the last 5 years. The annual budgets of these organizations total more than \$205 million.

The Value of Being a ReFrame Conference Sponsor

We allow approximately 12 exhibitors each year. This means that you will not have to worry about competing with many other companies for the attention of our conference attendees. Our past exhibitors have found our conference to be a worthwhile use of their resources and many have returned for each subsequent event.

An advantage of exhibiting at a small conference like ours is that you will have plenty of time for one-on-one interactions with conference attendees. We also offer an incentive for attendees to visit every exhibitor. Exhibitors stamp a "passport" for attendees, which enters them into a drawing for prizes at the end of the conference.

In addition to advertising your business to our attendees, your sponsorship of ReFrame Conference will indicate to your customers and potential customers that you are committed to supporting volunteerism and helping those in need.

All options are available for both virtual or in-person sponsors. Those who cannot attend in-person may make a pitch via Zoom, send materials in advance.

We ask that each exhibitor provide at least one desirable prize (gift certificate, basket with goodies, etc. - not swag with your logo on it) for the “passport” drawing at the end of the event. You are also invited to donate items or baskets for our silent auction.

Exhibitors will be required to adhere to these guidelines:

- Table should be set up by 12:00pm on Wednesday, November 9. Exhibits must be completely removed no later than 2:00pm on Friday, November 11. We encourage all exhibitors to keep their exhibit up for the duration of the conference and to have someone present at the table during session breaks.
- Exhibitors may not solicit attendees outside of their designated table area.
- No food or beverages may be served (with the exception of small candies).
- No loud music is permitted that would disturb other exhibitors or hotel guests.

Exhibitors not adhering to these guidelines may be asked to leave immediately without refund and be asked not to return to future conferences.
