Contributions are subject to California's Political Reform Act and applicable campaign finance reporting requirements. Contribution information, including name and mailing address, and occupation and employer for individual contributors, is collected for required recordkeeping and reporting. Email addresses and phone numbers are optional and may be used by CFLCA for PAC administration and contribution related correspondence. Political contributions are not tax-deductible as charitable contributions. For more information on California campaign finance laws, visit California Fair Political Practices Commission (FPPC).

For questions or assistance, please contact Kimberly Clark at 916-389-9630 or Kimberly@Calflca.org.
