# WELCOME TO CHLA'S 2025 STARS OF THE INDUSTRY LUNCHEON!

On behalf of the Colorado Hotel & Lodging Association Board of Directors, we extend our warmest congratulations to all of this year's Stars of the Industry Award nominees. Each of you embodies the true heart of hospitality—bringing care, professionalism, and passion to every guest interaction and every moment of the day. Today, we are proud to celebrate you—the individuals whose commitment and excellence make Colorado's lodging industry shine.

This year, we received a record 228 nominations from hotels across the state—a remarkable reflection of the exceptional talent that drives our industry forward. With more than 50,000 individuals employed in Colorado's hotels and lodging properties, being recognized among this outstanding group is an extraordinary accomplishment. Each nominee represents the best of the best—the people who go above and beyond to create unforgettable guest experiences, support their colleagues, and embody the values of service, integrity, and teamwork that define Colorado hospitality.

The Stars of the Industry Awards honor the individuals who make our industry truly special. Whether you are welcoming guests at the front desk, preparing exquisite meals, maintaining impeccable rooms, or ensuring seamless operations behind the scenes, your efforts make a lasting impact every single day. You are the reason visitors from around the world feel the warmth and authenticity that make Colorado such a memorable destination.

We also wish to express our heartfelt appreciation to our generous sponsors—VISIT DENVER, Western Paper, Propark Mobility, and Standout Staffing—for their continued partnership and support of this celebration. Their investment allows us to honor the people who bring our industry to life and ensure that hospitality in Colorado continues to set the highest standard.

To all our nominees, congratulations and thank you for your hard work, dedication, and excellence. You make our hotels stronger, our guests happier, and our communities better. Today, we celebrate not only your accomplishments, but the spirit of service that defines who we are as an industry.

With gratitude and admiration,
