# MTEC Manufacturing Accelerator Academy

**Are you a start-up, getting ready to launch a product, or trying to increase your sales?**

Apply for the MTEC Manufacturing Accelerator Academy! To help your manufacturing business face the challenges of growth, the Academy will have a participant driven curriculum to assist participants with these challenges taught by the expertise, relationships, and resources from the Manufacturing & Technology Enterprise Center (MTEC) and the Manufacturing Extension Partnership of New York (MEP).

## Why Apply?

- The Academy will be participant driven with courses tailored to your business needs.
- Limited to only 10 participants - you will be able to take full advantage of the expert advice being offered.
- Attend 7 of the 9 sessions and receive a certificate and the chance to pitch your business to a panel of judges for the chance of a financial award!
- The Academy is hybrid and FREE!
