CISCA is once again offering our **vendor members an opportunity to showcase their products** in a shared space with the highly engaging Contractor Challenge.

Product Showcase is designed to provide access to CISCA members without the cost or time commitment of a large event and connecting them with potential clients and partners. Our Product Showcase is a great opportunity for you to connect and establish a partnership with the people who buy and install your products.

OUR 295 CONTRACTOR MEMBERS HAVE OVER:

2,000
professional
staff

15,000
craftsmen
and craftswomen

31,000,000
labor hours
per year

\$2.7B
in annual
revenue

These are the people you need to be talking to.

This event is intended to bring manufacturers who are willing to launch new products and those who want to provide more information on their products to our members that may not be as familiar with their company and/or products.

This event is an easy, proven way for you to **take advantage of your CISCA affiliation to reach your target market**. Exhibitor exposure is magnified now that the Product Showcase happens in the same space as the high energy Contractor Challenge.
