

*To lead, develop, and support technologists and education organizations to inspire student success.*

**Corporate Affiliate Program(CAP)  
Year-Round Sponsorship Benefits**

**2025-2026**

# ABOUT CITE

California IT in Education is a not-for-profit, 501(c)(6) professional membership association supporting IT Professionals working in schools. We have over 2,700 members, representing 75% of the Local Education Agencies in California. Specifically, our members are dedicated individuals supporting hardware, software, help desk, data, wired/wireless, IoT, and all other aspects of technology leadership and support.

Our Corporate Affiliates, allow CITE to provide high quality resources, professional learning, and a strong support community to our members. Established in 1960, CITE is celebrating our 65th year, with our industry leading Conference this November. Join us in supporting the CITE Community and the hardworking IT professionals in Education!

**Community    Advocacy    Leadership    Learning**

# CITE AT A GLANCE

---

## **Mission**

To lead, develop, and support technologists and education organizations to inspire student success.

## **Vision**

Shaping the Future of Education Through Technology

## **Core Values**

### **Community**

We believe a strong community empowers all of our members and that our community has the talent to solve any problem.

### **Advocacy**

We believe Advocacy facilitates and accelerates progress.

### **Leadership**

We believe that technology leadership is essential.

### **Learning**

We believe technology enhances learning and enables life-long learning.

# ANNUAL SPONSORSHIP OPPORTUNITIES

---

CITE's Corporate Affiliate Program (CAP) is the best way to partner with the leading professional membership organization for IT professionals working in schools. These benefits offer many ways for your company to interact with members and get your name recognized.

## CAP Program Details

- Our CAP year runs from July 1 - June 30, 2026. New sponsors must be confirmed by August 31, 2025.
- Conference benefits are applicable between July 1, 2025 and our Annual Conference in November 2025.
- Additional Conference benefits for individual purchase are available in late summer 2025.
- Priority Participation or Invitation to Additional CITE Activities are included.
- Conference benefits for the 2025 Annual Conference must be selected by August 29, 2025.
- The program is structured into three parts that offer you several options to create a custom sponsorship to support your needs:
  - Part I: Year-Round Benefits
  - Part II: Annual Conference Benefits
  - Part III: Customized Benefits
