

RESOURCE VETTING PROCESS

ENSURING RESOURCES ARE APPROPRIATE AND SAFE

Educators have many choices when it comes to digital learning resources, however, with choices comes responsibility to our students. We must be sure resources are curricula aligned, age appropriate and compliant with student privacy laws.

NEED FOR A RESOURCE

A request is made to the App Vetting Team

RESOURCE VETTING TEAM

App Vetting Team discusses the requests and determines which are approved based on predetermined criteria

APPROVED RESOURCE REQUESTED

A request comes in to your department based on the process you have set up

GET A CSDPA

Search the CSPA database for a DPA

CLASSROOM USAGE

The approved resource gets deployed for classroom use

NEED FOR A RESOURCE
Resource is vetted for curricula alignment.

EDUCATOR VETS THE RESOURCE
The educator has access to search the CSPA database to check the status of student privacy compliance

OTHER RESOURCE OPTIONS
Educator has the ability to search for and review other approved options.

GIVES EDUCATORS THE KNOWLEDGE TO CHOOSE

RESOURCE REQUESTED
A request comes in to your department based on the process you have set up.

GET A CSDPA
Sign the DPA so your district is compliant with state laws.

CLASSROOM USAGE
The approved resource gets deployed for classroom use.
