

# 2025 COAA-FL SPRING WORKSHOP

**FRIDAY, MARCH 28**  
**DOCKSIDE LAKE NONA**

## What Can We Learn From the Higher Ed and Healthcare Markets?

The higher education and healthcare markets are trying to keep pace with a growing Florida population. Healthcare related projects are booming, and Owners need to adapt to ever-changing demands and needs, in part by being unafraid to innovate their approach to project delivery. Join us for an event that allows Owners from all sectors to borrow and learn from their higher education and healthcare peers.

**COAA Cares** In support of the COAA Cares initiative, attendees will help support Nemours Children's Health by assembling "World Art Day" kits for patients at the Nemours hospital in Lake Nona. Kit components will be generously donated by Turner Construction.
