2025 COAA-FL SPRING WORKSH

FRIDAY, MARCH 28 DOCKSIDE LAKE NONA

What Can We Learn From the Higher Ed and Healthcare Markets?

The higher education and healthcare markets are trying to keep pace with a growing Florida population. Healthcare related projects are booming, and Owners need to adapt to ever-changing demands and needs, in part by being unafraid to innovate their approach to project delivery. Join us for an event that allows Owners from all sectors to borrow and learn from their higher education and healthcare peers.
