

COAA GEORGIA CHAPTER PRESENTS:

2026 SUMMER FORUM

WEDNESDAY, JUNE 10
ATHENS, GA

Join COAA Georgia in Athens for a day of collaboration, innovation, and project insights featuring some of Georgia's most impactful higher education and technology-driven projects.

Sessions include:

- **Georgia State University Piedmont Central Housing**
- **Artificial Intelligence in Construction**
- **Georgia Tech Square Phase 3**

Plus:

- **COAA Cares benefiting Hope139 House**
Through COAA Cares, attendees will support Hope139 House, a nonprofit organization providing residences and resources for at-risk mothers and their children.

Connect with Owners, designers, builders, and industry leaders for an engaging day focused on the future of the built environment.

Stay tuned for additional information about session descriptions and a jobsite tour.

Registration opens soon!
