

2025 COAA-MI FALL WORKSHOP DELIVERY METHODS DILEMMA: BEST PRACTICES & PITFALLS

COAA[®]
Michigan Chapter

THURSDAY, SEP 25
GRAND RAPIDS, MICHIGAN

Get ready for an energizing afternoon of learning, connection, and hands-on insight into one of the most critical choices in construction: project delivery methods. From Design-Bid-Build to Design-Build, CMAR, and IPD—each method has its pros, cons, and complexities. This workshop will help you navigate those options with clarity and confidence.
