

2025 COAA-WI SPRING WORKSHOP

THURSDAY, APRIL 3

GOODMAN COMMUNITY CENTER IN MADISON

Join us Thursday, April 3 at the Goodman Community Center in Madison for a program focused on leadership. Leadership in the realm of project delivery is obviously critical and, on the most successful projects, is practiced by the entire project team. Hear multiple perspectives on leadership within a program that will feature presentations, a panel discussion, and interactive moments. Stick around after the workshop for a guided tour of the Goodman Community Center.

Featured Speakers:

Brendon Manglos | Facility Operations Specialist | State of Wisconsin Department of Military Affairs

Richard Robert-Santiago | Cost Management Program Manager (Chief Estimator) | General Services Administration (GSA)
