

# OWNER'S FORUM

**APRIL 13, 2023**  
LEHIGH VALLEY, PA

This free event is part of an ongoing initiative to bring owners together to share their best practices in order to improve project outcomes. This Owners only event will begin with a meet and greet, a brief presentation by **John Bennett** and his team on their recently completed Education Facility followed by a Lean Coffee format discussion to share your challenges, your solutions and to collaborate on strategies that can be applied on your own projects.

We are pleased to announce that the moderator for this event will be **Steve Lee** with the Butz Family Companies.

The group discussion concludes with a networking lunch, followed by a tour of the **LVHN Healthcare Education Facility**.

Do not miss this opportunity to network, connect and learn from other owners. COAA is dedicated to the desire to continuously improve and to the belief that working collaboratively will lead to greater success ([www.coaa.org](http://www.coaa.org))
