

# MICHAEL BURNETT HOLDER CONSTRUCTION

Mike is a Senior Vice President of Holder Construction Company, a national commercial construction services firm founded in 1960, with offices in Atlanta, Phoenix, Denver, Dallas, Charlotte, San Jose and Washington DC.

Mike has been with Holder for 25 years since graduating from Auburn University in 1996 with a Bachelor of Science in Civil Engineering. His entire career has been focused on preconstruction services with the goal of setting projects up for success. Mike has delivered preconstruction services on projects totaling over \$10 billion dollars across all project delivery methods, including several “mega” projects such as the Salt Lake City Terminal Re-development program, the Maynard H. Jackson, Jr. Atlanta International Terminal, and Mercedes-Benz Stadium in Atlanta.

Mike believes the trust, collaboration and hard work are the keys to project success and strives to help build high performance teams focused on a common mission. He is a Certified Professional with the Design Build Institute of America and a LEED-Accredited Professional.
