

TODD FEHD HOLDER CONSTRUCTION

Todd is a Vice President for Holder Construction, a national construction services firm with experience throughout the country and offices in Atlanta, Charlotte, Dallas, Denver, Phoenix, San Jose and Washington, D.C. Holder is consistently ranked by ENR as one of the nation's leading contractors in Construction Management, General Construction, and Design-Build.

Todd brings more than 20 years of experience providing preconstruction and construction services, with a focus on Education and Technology clients. He has provided leadership on more than \$1 billion of successfully completed projects including work with Bowie State, Loudoun County, Michigan State, Ohio State, Penn State, Salisbury University, Tarleton State, University of Maryland, University of Virginia, Virginia Tech, and William & Mary.

Todd received a B.S. in Construction Management & Engineering from Purdue University. He is LEED-Accredited by the United States Green Building Council and currently sits on the Virginia Tech Advisory Board. He is also active in APPA and SCUP.
