

NAZANIN FOULADI UNIVERSITY OF MARYLAND BALTIMORE (UMB)

Nazanin Fouladi joined the University of Maryland, Baltimore (UMB) as Associate Vice President for Facilities and Operations in December 2018. She brings deep healthcare sector experience and chief facilities officer expertise in all facets of facilities management including planning, design, construction, and facilities management. Since her arrival at UMB, she has led a comprehensive, collaborative effort to assess and improve facilities planning, systems, and services to meet campus needs.

Naz has over 20 years of experience in architectural design, project management, and facilities planning. She received her Master of Architecture degree from the New School of Architecture in San Diego and was awarded the Henry Adams Medal for Academic Excellence. She worked at architecture firms, led extensive improvement projects in the biotech industry, and taught college level engineering courses before she started working at Sharp HealthCare in 2011. There, she managed complex design-build hospital renovation projects, as well as new medical centers.

Naz has extensive experience working on design-build projects – from RFP development and procurement to contracting and working with the design-build team as the Owner's representative. She believes in building a solid relationship with the design-build team based on trust and collaboration.

Naz is a Designated Design-Build Professional (DBIA), LEED Accredited Professional, and Prosci Certified Change Practitioner.
