

Roof Over Your Head Program

Social Share Info:

We want to engage and/or amplify each story!! Be sure to tag:

- (1) the roofing company you are thanking,
- (2) GAF (product donation/ reimbursement), and
- (3) CRA for making this partnership happen in your social media posts.
- (4) Habitat Colorado

Include photos/videos and tag on Facebook, Instagram, LinkedIn and or Twitter.

Sample language for social post:

The **Colorado Roofing Association** is supporting our Colorado community by connecting local Habitat building projects with roofing contractors, suppliers & manufacturers who are willing to donate labor and materials to support hard-working families in their dream of homeownership.

Thank you to **(insert roofing company here)** for donating their time and labor to install a roof on **two separate Habitat homes in (your community)**. Together we are building strength, stability and self-reliance through shelter.

Partnerships are what propel the Habitat mission forward. **Habitat Colorado** is grateful for our 'Roof Over Your Head' partnership with the Colorado Roofing Association. This cost-saving program connects local contractors, suppliers, and manufacturers willing to donate labor and materials to Habitat projects across the state. Thank you, Colorado Roofing Association, for the positive impact you are making in the lives of Colorado families!
