

### Are you a DCP Member?

Dear Downtown Business and Community Members,

As we continue to foster growth and vibrancy in Downtown Fargo, I wanted to take a moment to highlight the importance of being a member of the Downtown Community Partnership (DCP).

Membership in the DCP is crucial in amplifying our collective voice and supporting the ongoing efforts to enhance our community. Unfortunately, due to recent challenges such as turnover and the impact of COVID-19, our membership program may have slipped under the radar for some businesses.

If you believe your business is already a member, I encourage you to verify your status and consider renewing your support. For those who are not yet members, I invite you to join us in contributing to the positive changes underway in Downtown Fargo.

You can email me at [rocky@downtownfargo.com](mailto:rocky@downtownfargo.com) if your name is not on the list below and I will help get you renewed and/or signed up as a DCP Member or you can [renew online!](#)

**FMWF Chamber's Eggs and Issues: Downtown In Focus**

***Date: July 9, 8:00 AM; Location: Courtyard by Marriott Moorhead***

At this event, I will be sharing my passion about all the activities underway this summer in Downtown and will also share an update on the Downtown Safety Plan.
