HONORARY LIFE MEMBERSHIP AWARDS

HLM shall be granted to a present or past member of The Dairy Practices Council who has performed outstanding and extraordinary service to the Council.

A candidate may be recommended by any member of the Council by providing background and justification for the candidate's selection. The Executive Board reviews all recommendations and selects not more than 2 candidates in any one year for presentation to and approval by the Executive Board at the spring meeting of the Board. Approved candidates receive their award at the next Annual Meeting.

Honorary Life Members shall be exempt from dues and registration fees and shall enjoy all the rights and privileges accorded to regular members.

Presenters: Keith Hay & Wendy Landry

EUGENE WOLFF SERVICE AWARD

Setting the Standard of Dedication and Commitment to DPC

Every organization has dedicated members, who volunteer their time, but there are often individuals that go above and beyond, sometimes working long hours behind the scenes, to help make things happen!

Eugene T. Wolff was one of those individuals. Gene, who joined the DPC in 1976, set the standard of dedication and commitment to the DPC. For many years, Gene had set up the audio/visual equipment and after retiring in 1996 he took charge of the Dairy Bar at DPCs annual meeting, offering cheeses, yogurts, ice creams and, of course, buttermilk. It is probably because of Gene that many DPC members had their first real taste of buttermilk!

Criteria. The individual who is nominated for this award must be a member-in-good standing of DPC. The nominee must have demonstrated a significant contribution to DPC through behind-the-scenes work and volunteerism, maintaining a standard of dedication and commitment to this organization.

Nominating Procedure. Nominations may be submitted to the DPC president by any member-in-good standing of the DPC prior to the Spring meeting. The DPC President presents the nominees to the Executive Board members, where a decision is made to present the award.

Presenter: Joe MacPhee

State of the Organization

- Strong Conference (163) and Workshop Attendance (71) and Sponsors (17) are helping us remain in a good financial position
- Guideline sales still represent less than 1% of revenue.
- DPC Perspectives E-Newsletter on Labelling
- Board is Focused on Creating a Sustainable Future

Our Mission

Our mission is to develop and disseminate educational guidelines directed to proper and improved sanitation practices in the production/processing of milk, and the manufacture of dairy products. Facilitate the adoption of sound, uniform, and improved procedures related to the production, processing, and distribution of high quality fluid milk and dairy products. The intent of these objectives is a cooperative effort of Industry, Education, and Regulatory. The further interest is not to duplicate, but to cooperate with other organizations which have similar goals.

Our mission would not be Possible without our Sponsors
