EUGENE WOLFF SERVICE AWARD

Setting the Standard of Dedication and Commitment to DPC

Every organization has dedicated members, who volunteer their time, but there are often individuals that go above and beyond, sometimes working long hours behind the scenes, to help make things happen!

Eugene T. Wolff was one of those individuals. Gene, who joined the DPC in 1976, set the standard of dedication and commitment to the DPC. For many years, Gene had set up the audio/visual equipment and after retiring in 1996 he took charge of the Dairy Bar at DPCs annual meeting, offering cheeses, yogurts, ice creams and, of course, buttermilk. It is probably because of Gene that many DPC members had their first real taste of buttermilk!

Criteria. The individual who is nominated for this award must be a member-in-good standing of DPC. The nominee must have demonstrated a significant contribution to DPC through behind-the-scenes work and volunteerism, maintaining a standard of dedication and commitment to this organization.

Nominating Procedure. Nominations may be submitted to the DPC president by any member-in-good standing of the DPC prior to the Spring meeting. The DPC President presents the nominees to the Executive Board members, where a decision is made to present the award.
