Delaware Rural Water Association
Wastewater and Water Team of the Year
Nomination Form
October 2027

To: Wastewater and Water Professionals
From: Heather Warren, Executive Director, Delaware Rural Water Association
Date: October 27, 2026
Re: 2026 Wastewater and Water Team of the Year Nominations

Good Day from DRWA!

Each year, each week, and each day, our industry relies on groups of hard-working and underrecognized folks to keep the toilets flushing and faucets running. To honor those working in the cold on main breaks, resolving FOG problems, and ensuring our industrial waste is properly treated, we're opening nominations for Team of the Year. Winners will be announced at our Awards Dinner on Tuesday, February 23, 2027.

Please return completed nomination forms to Heatherw@drwa.org by **November 30, 2026**, so our committee has ample review time to review before the Conference.

To learn more about the Annual Conference, visit www.drwa.org.

Delaware Rural Water Association
