RE: 2026 DRWA Expo

Greetings from the Delaware Rural Water Association!

Our 2026 Expo is just three short months away and we're already working hard to make it a great event! A few notes:

- This year's Expo theme is "Can You Dig It?". The day will focus on things happening beneath our feet.
- The Expo will again be held at the Greenwood Fire Hall on Friday, October 2, 2026
- Menu will be breakfast sandwiches starting at 7:30 am with crabs, shrimp, and more starting at noon
- Concurrent water and wastewater sessions will be held throughout the morning, with plenty of time for visits between sessions.
- Afternoon activities include best tasting water, corn hole, backhoe competition, Jenga, etc

Booth and Sponsorship Info:

- ✓ \$100 to sponsor afternoon activity(ies)
- ✓ Inside booth spaces are 1st paid, 1st served
- ✓ Outside booths for larger display areas and/or equipment are available
- ✓ Booth set up is from 7:00 to 8:00 am on October 2
- ✓ Booth price is \$400 for current members and \$500 for non-members, which includes two representatives

We are looking forward to a great day of networking, camaraderie, and excitement!
Here's to hoping you can join us!
