

Town of Blades

Water Operator Supervisor

The Town of Blades is seeking to hire a Water Operator Supervisor. Licensed Delaware Operator is a must. Endorsements needed are Chemical Feed and Filtration. The position requires the individual to perform daily water test and perform operational changes when needed. Perform daily checks of equipment and perform maintenance and repairs of the water treatment facilities, as well as the town wells. Must be able to lift at least 60 pounds and work in all weather conditions. High school diploma or GED and possession of a valid driver's license is required. Typical work week is Monday through Friday, 8:00 a.m. to 4:30 p.m. and is a 40-hour work week. Must be willing to work on call, weekends, holidays, and work nights when necessary. Salary is DOQ, plus Town benefit package. Send resume to: Town of Blades, 20 W Fourth Street, Blades, DE 19973, ATTN: Public Works-Water Operator Supervisor

Resumes accepted until position is filled.
