

BOARD ENGAGEMENT

Board Engagement is a signature program of Emerge Broward that provides insight and experience in nonprofit board service.

Open only to Emerge Broward members, the program's purpose is to provide community-minded young professionals with the opportunity to serve on a local nonprofit Board of Directors.

The Mary and Alex Mackenzie Community Impact Fund at the Community Foundation of Broward has provided support.

Additionally, participants who complete the trainings will be matched with a local nonprofit Board of Directors.

WHAT WE OFFER

Emerge Broward is comprised of five autonomous committees, each playing a vital role in the organization's success. Four committees—IDENTIFY, CONNECT, DEVELOP, and ENGAGE—are responsible for planning and implementing events and opportunities for the general membership base. The fifth committee, PR, is dedicated to promoting these events and increasing awareness of EmERGE Broward's mission within the community.

1 IDENTIFY: Exclusive socials and outreach events designed to welcome new members, connect with local businesses, and grow the EB community.

2 CONNECT: Fun, interactive social experiences with a unique learning component to strengthen member engagement.

3 DEVELOP: Educational workshops and panel discussions led by industry experts to promote career and leadership growth.

4 ENGAGE: Hands-on volunteer opportunities with local nonprofits, allowing members to give back to the community

5 PR: Supports the four event-focused committees by promoting their initiatives, increasing event visibility, and bringing awareness to EmERGE Broward's mission.

"Joining EmERGE Broward was one of those things that changed my life. I met so many amazing people, people I am still friends with until this day, and I was able to network with other young professionals and really just create my own network of people who were my age and that I could really grow in my career with."
