# **EPAA Assistance Packet**

We understand that the COVID-19 pandemic could have a financial burden on our community. Therefore, we have provided the following information on third party agencies offering relief.

If you have questions about these assistance programs, please see the attached resource guide. If you need to make payment arrangements, we urge you to contact your property manager and to keep an open line of communication. We are in this together and we will prevail together.

Please check with your apartment leasing office for office hours and we encourage residents to contact their property managers with alternative contact information such as phone, text, email, or appointment if necessary. We will continue to evaluate the impact created by this pandemic in our region and continue to practice protocols that have been set in place by the Center for Disease Control.

Please note that all current lease and payment due dates will continue as normal unless other arrangements are approved by your apartment property management.
