

Helpful Linking Tips for MyDisneyExperience

Download the MyDisneyExperience app to your phone or tablet:

1. Go into the app store and search MyDisneyExperience. The picture below is the app you will select for both Apple and Android devices.

Creating Your MyDisneyExperience Account:

1. Visit www.mydisneyexperience.com or open the app on your phone to start the process.
2. Click on "Sign In" or "Create New Account".
3. Enter all requested information.

***Please Note*:** If you have previously registered your email address in an account on any Disney website including but not limited to ABC.com, ESPN.com, DisneyJunior.com, or DisneyWorld.com, your email address has already been registered. If you don't remember your password information, click on the reset password link and follow the steps.

Linking Your Hotel Reservation:

Using the My Disney Experience App:

1. Open the app and log in.
2. Tap the three horizontal lines in the bottom right corner.
3. Scroll down and under the "My Visit" section, select "Hotel Reservations".
4. At the top, make sure "Type ID" is selected.
5. Scroll down to the "Resort Reservation" section and enter in your "confirmation number" and the "last name" on your reservation. (ex. 111122223333 is a confirmation number or 1A2BC345 is an acknowledgement number. Either of these will work here.)
6. Some of your Guests' names may automatically be matched. For any that are not, select the drop-down under "Select from Your Family & Friends List".
