Testimonials

"As a Regional Manager, the FCAA trade Show is always a great place for me to network with vendors and service providers and source new vendors for my portfolio. My team loves to go and network as well as try to win some great swag."

- Regional Manager, ResProp Management

"The Trade Show is one of my personal favorite FCAA events! I love getting to meet new and existing vendors. It's super important because you never know with the property when an issue may pop up and you have to use that card you collected at the show.

- Property Manager, Fort Family Investments
