Multi-Family Housing Fitness Center Solutions

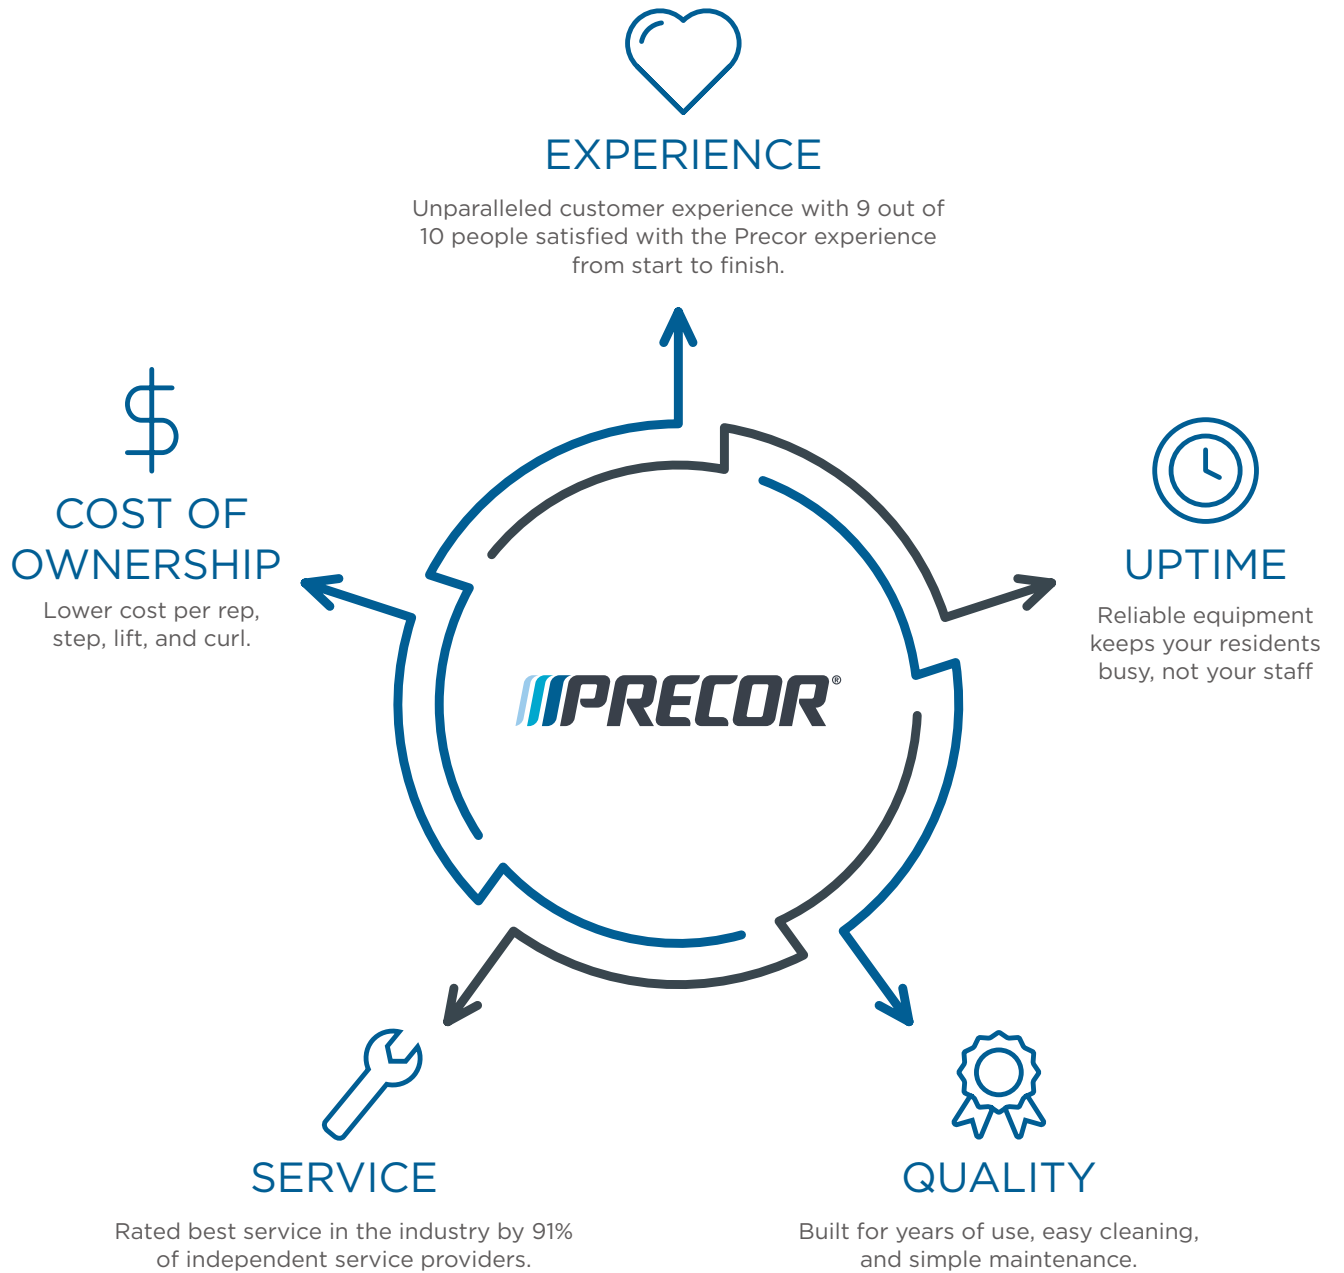

AMENITIES THAT MOVE RESIDENTS

One of the top two amenities favored by residents, on-site fitness facilities are essential to the success of your business.

PARTNER WITH PRECOR

Through a strong focus on Experience Design, Precor and our distributor partners innovate to develop smart solutions and create custom fitness experiences for your residents.

WIN WITH RESIDENTS

Attract and retain residents, maximize your investment, and create a customized fitness experience that appeals to your community.

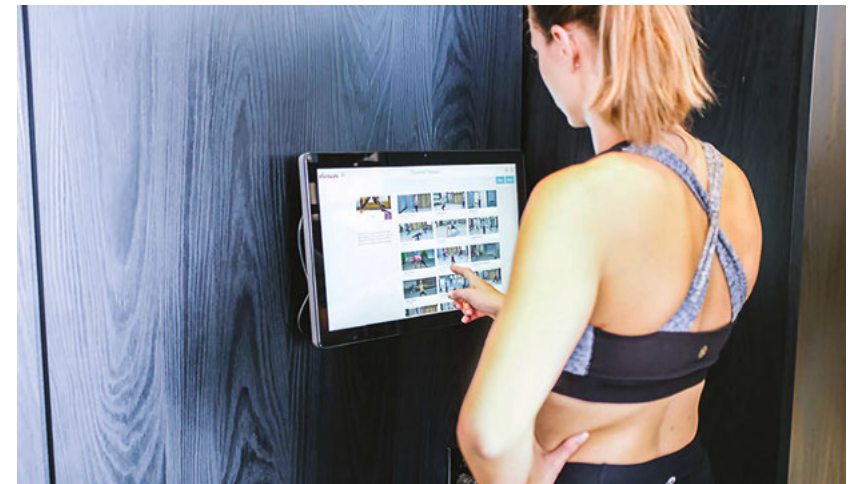

A SEASONED, COLLABORATIVE APPROACH TO PROGRAMMING AND ENGAGEMENT

Our amenity management specialists are uniquely qualified to experience map all the touchpoints for your facility to make sure you achieve your primary business objectives.

Planning and Design

Your Precor expert advisor is prepared to offer consulting services to help you make informed decisions on the design, layout, and equipment for your fitness center.

Fitness Education and Programming

Precor provides equipment that guides the user, along with education and programs that inspire participants to champion their personal well-being.

WE'VE GOT YOU COVERED

Our consulting services will help you make informed decisions. Regardless of available space and budget, we are equipped to tailor the solution to the specific goals of your fitness center.

TECHNOLOGY SOLUTIONS THAT CREATE EXPERIENCES

Technology has changed the world and continues to do so, especially in the delivery of entertainment and information. Partner with a company that keeps technology and innovation at the forefront of fitness center management.

Precor will provide your fitness facility with industry leading technology, management, and programming so that it engages your residents and strengthens the feeling of community.
