OVER 50% OF
COMMUNITY MEMBERS ARE
IN ATTENDANCE

Every year, the First Coast Apartment Association acknowledges the leaders of our industry through the Circle of Excellence Awards. Committee members establish criteria for the awards, encourage participation in each category, recruit individuals to judge entries, raise funds to cover the cost of the awards, and manage the event itself. Join us for this semi-formal, now themed, event honoring our members who have achieved the highest level of service and commitment to our industry and our residents in 2018.
