

FMEA 2026 First Kids' Lineman Rodeo

CHIEF JUDGE: GERALD VARGAS, CITY OF WINTER PARK ELECTRIC UTILITY

PURPOSE

The FMEA Kids' Lineman Rodeo introduces children to the trade of linework through hands-on, kid-safe simulations. The event promotes electrical safety awareness, teamwork, and appreciation for the vital work lineworkers perform in their communities.

COMPETITION EVENTS

This event will run as a relay-style event. Child competitors will start at Station 1, move to Station 2, and finish with Station 3. Each child competitor will run the course while being judged on safety, skill, technique, and time. There will be one scoresheet per competitor, and all 3 events are scored as one. The top 3 competitors in each age group will be awarded a trophy and competitor t-shirt at the Welcome Reception immediately following this event on Friday, March 13, 2026.

- **Station 1 - Bucket Hoist Challenge** - Competitor will hoist/pull a grunt bucket on a handline to the desired height & weight of their age group. **Focus:** Control, safe handling, and teamwork.
- **Station 2 - Switch Opening & Closing with a 6' Hot Stick** - Competitor will be required to first close and then open a 600 amp disconnect using the eye on the switch. There will be a painted box on the ground the competitor must stay in during this event. **Focus:** Control, accuracy, and understanding switch operations.
- **Station 3 - Cart Pull** - Competitor will be required to safely and quickly pull a weighted cart to the desired footage of their age group. **Focus:** Strength, teamwork, and fun competition.
