LINEMAN
COMPETITION
FEBRUARY 26-27 • KISSIMMEE

JOURNEYMAN EVENT

INSULATOR CHANGE OUT

CHIEF JUDGE: **ALVIN MOORE**  **GRU**
More than Energy

MEAN TIME: **3 MINUTES**
DROP DEAD: **6 MINUTES**

EVENT SUMMARY

This event is a dead and grounded event. Teams will be required to change out both insulators, pins, preform ties **AND** rubber grommets on a 2-phase line framed on an 8' wooden crossarm.

EVENT SPECIFICATIONS

- Teams will be allowed a 5 minute set up time.
- Work gloves are required during both set up and while running event.
- Time starts at judge's signal with fall arrests detached from the pole.
- You may headache the old grommet from the pole but **MUST** yell headache.
- If you drop the new grommet, you will not be gigged as long as you yell headache, and it must be sent back up on the handline.
- 1st Lineman must be completely off the pole before handline can be dropped out!!
- All other general rules apply.
- Time stops when second lineman has both feet on the ground.
- Material must be broken down and put back like it was, this can be after the time has stopped. But you will still be judged during this time.
- All material must go up and down in a nose bag.

MATERIALS PROVIDED

- F-neck Pin Insulator
- PLP preformed tie Cat#UTF-1204
- 2 Pins

TEAM PROVIDES

- Tarp, handline, personal tools etc.
