What is the Brief Business Over Breakfast?

The “Brief Business over Breakfast” is our reverse trade show event that provides an opportunity for suppliers, consultants, contractors and exhibitors to meet with procurement professionals and decision-makers from numerous municipal utilities at one time. After Thursday’s breakfast, suppliers will rotate in timed intervals around a room where select municipal utility representatives are seated to hear more about current utility projects and needs.

Content/Composition of Exhibits

Exhibits can consist of any equipment, merchandise or service of interest to electric utility officials and personnel. FMEA reserves the right to decline and prohibit any exhibit or any part of an exhibit which, in FMEA’s opinion, is not proper. Both FMEA and the hotel reserve the right to limit the size and weight of equipment.

Space Assignments

Space is assigned on a first-come, first-serve basis, and exhibitors may specify first, second and third choices, however FMEA will make all table assignments in the exhibit area, in order to make optimal use of space and/or to meet any requirements for Florida’s fire code.

Table Exclusions

The table rental fee includes a table and two chairs, it DOES NOT include electrical service, extra furniture, telephone service, Internet connectivity or freight shipping.

Program Listing

All exhibiting companies that have reserved space and paid their fees in full by October 20, 2023, will be listed in the Conference and Trade Show Program.

Table Fees for 2023

	FMEA Associate Member	Non-Member
Per Table	\$600	\$800

Terms of contract

The contract must be accompanied by payment for the full amount of the table(s) cost. Exhibitors should complete the entire contract, including registration sections. In order for your representatives to receive an exhibitor’s badge, it is important you notify the exhibit coordinator of any changes in attendees. Cancellations and refund requests must be in writing, will only be accepted until October 20, 2023, and are subject to a 15% processing fee.

Liability and Security

Neither FMEA, the table decorator, nor the management of the hotel, shall be responsible for the safety of the property of the exhibitors, nor for loss or damage by fire, accident, theft or other causes. Exhibitors who desire to insure their goods must do so at their own expense.

Exhibit Hours and Table Attendance

It is imperative tables be properly staffed during posted hours. To reduce aisle congestion and encourage delegate interaction, FMEA recommends no more than two representatives staff the table at any time. Table hours are subject to modification prior to the Conference to adapt to any necessary changes in Conference session times; however, all exhibitors will receive adequate notice should this be necessary.

Setup:

The exhibit hall will be available for set-up at 2:00 pm on Tuesday, November 7 in the Majestic Ballroom. All exhibits must be in place and fully staffed by 3:45 pm for opening at 4:00 pm. Exhibitors may confer with clients beyond the official exhibit hours except during scheduled Conference Program times.

Take Down:

All exhibits must be taken down by Noon on Wednesday, November 8.
