

ADVOCACY

Protecting the interests of Florida Public Power

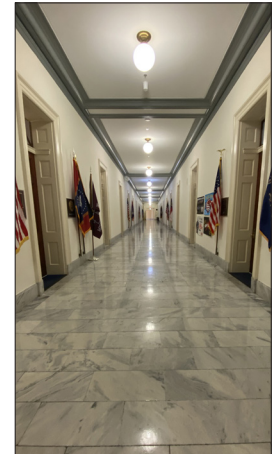

STATE:

- Led efforts to **mobilize public power advocates** and **successfully fight off** harmful municipal utility legislation
- **Tracked 67 unique pieces of legislation** during the 2023 Florida legislative session
- Provided **dozens of legislative updates and alerts** to FMEA members

FEDERAL:

- Spearheaded efforts for reintroduction of **FEMA Loan Interest Payment Relief Act** in the 118th Congress
- Initiated Florida delegation letter to DOE to solve **supply chain crisis** impacting electric utility industry
- Provided **grant monitoring services** for federal funding opportunities

MUTUAL AID & DISASTER RESPONSE

Assisting our members with faster restoration and fewer outages

MUTUAL AID

- Coordinated more than **750 public power lineworkers** from **150 utilities** in **23 states** during Hurricane Ian and another **100 lineworkers** during Hurricane Nicole

OUTAGE REPORTING

- Submitted a combined **60 outage updates** to the State Emergency Operations Center from Hurricanes Ian and Nicole

PREPAREDNESS

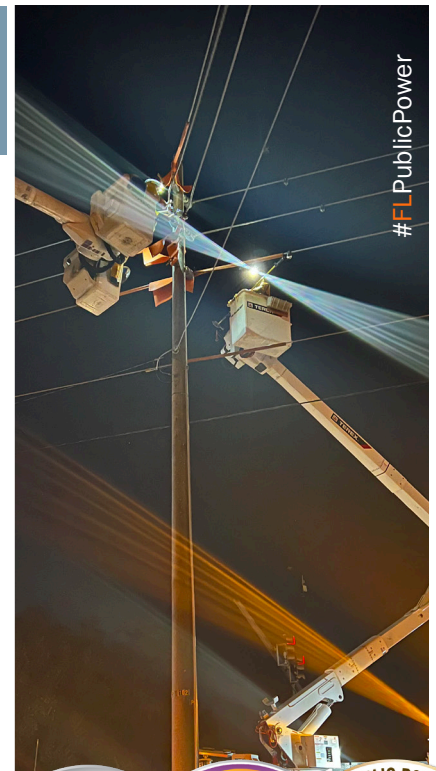

- Held first ever statewide hurricane tabletop exercise with more than **130 FMEA members and state and federal partners** actively participating

RECOVERY

- Developed **FMEA mutual aid guiding principles**

FEMA

- Held FEMA procurement workshop for more than **120 FMEA members**
