What is the Brief Business Over Breakfast?

The “Brief Business over Breakfast” is our reverse trade show event that provides an opportunity for suppliers, consultants, contractors and exhibitors to meet with procurement professionals and decision-makers from numerous municipal utilities at one time. After Thursday’s breakfast, suppliers will rotate in timed intervals around a room where select municipal utility representatives are seated to hear more about current utility projects and needs.

Content/Composition of Exhibits

Exhibits can consist of any equipment, merchandise or service of interest to electric utility officials and personnel. FMEA reserves the right to decline and prohibit any exhibit or any part of an exhibit which, in FMEA’s opinion, is not proper. Both FMEA and the hotel reserve the right to limit the size and weight of equipment.

Space Assignments

Space is assigned on a first-come, first-serve basis, and exhibitors may specify first, second and third choices, however FMEA will make all table assignments in the exhibit area, in order to make optimal use of space and/or to meet any requirements for Florida’s fire code.

Table Exclusions

The table rental fee includes a table and two chairs, it DOES NOT include electrical service, extra furniture, telephone service, Internet connectivity or freight shipping.

Program Listing

All exhibiting companies that have reserved space and paid their fees in full by October 20, 2024, will be listed in the Conference and Trade Show Program.

Terms of contract

The contract must be accompanied by payment for the full amount of the table(s) cost is due in full by Oct. 25, 2024. In order for your representatives to receive an exhibitor’s badge, it is important you notify the exhibit coordinator of any changes in attendees. Cancellations and refund requests must be in writing, will only be accepted until October 25, 2024, and are subject to a 15% processing fee.

Liability and Security

Neither FMEA, the table decorator, nor the management of the hotel, shall be responsible for the safety of the property of the exhibitors, nor for loss or damage by fire, accident, theft or other causes. Exhibitors who desire to insure their goods must do so at their own expense.

Exhibit Hours and Table Attendance

It is imperative tables be properly staffed during posted hours. To reduce aisle congestion and encourage dele-gate interaction, FMEA recommends no more than two representatives staff the table at any time though up to two additional representatives may join the booth by purchasing additional representative badges (\$200 per rep). Table hours are subject to modification prior to the Conference to adapt to any necessary changes in Conference session times; however, all exhibitors will receive adequate notice should this be necessary.

Setup:

The exhibit hall will be available for set-up at 2:00 pm on Tuesday, November 12 in the Grand Ballroom, Lobby Level. All exhibits must be in place and fully staffed by 3:45 pm for opening at 4:00 pm. Exhibitors may confer with clients beyond the official exhibit hours except during scheduled Conference Program times.

Take Down:

All exhibits must be taken down by Noon on Wednesday, November 13.

Hilton Daytona Beach Oceanfront Resort Decorator Package Shipping Instructions

INBOUND PACKAGES

Two different options are available for every Decorator package arriving at the property's loading dock.

A. Immediate Release Packages

Provided that the Decorator is on the property and ready to take possession/custody of the packages upon their arrival, Resort will complete an immediate release of the Decorator labeled packages to the Decorator as soon as packages are received from the carrier.

B. Received and Processed Packages

Any Decorator packages received and processed by Resort that are stored overnight will incur applicable receiving fees. Payment by the Decorator will be required at the time of package release. As a sign of our partnership with Decorators, we are pleased to offer discounts of the retail handling fees assessed on processed packages.

To provide a seamless experience for guests, and reduce confusion regarding package locations, Decorators are encouraged to emphasize the off-site receiving address for event shipments. This workflow will avoid handling fees on Decorator packages delivered directly to the property.

OUTBOUND PACKAGES

The Resort is available to setup an outbound shipping desk within or near the meeting space to handle outbound shipments, as long as advanced notice and approval is provided during the event planning stages. Outbound handling fees apply to all outbound packages taken into possession by Resort's Shipping and Receiving.
