Voter Engagement

This track is designed for nonprofits that are interested in learning more about or doing nonpartisan voter engagement work. This includes voter registration, voter education, get-out-the-vote efforts, candidate forums and interactions, ballot initiative work, and more. Perfect for a community-based nonprofit that is trusted by constituents and wants to help them exercise their right to vote, a nonprofit with a client base that has not traditionally been very active in voting, or a nonprofit interested in getting out the vote for the proposed property tax amendment.

Property Tax - Learning

This track is designed for nonprofits who want to stay informed about the proposed property tax amendment, which will be on the ballot in November. It will include information about property taxes, the proposed amendment, the effect on nonprofits, and what a nonprofit's options are for getting involved.

Property Tax - Advocacy and Lobbying

This track is designed for nonprofits who will be conducting advocacy or lobbying campaigns related to the proposed property tax amendment. Specifically created for nonprofits who are taking action, the track will break down how to create your campaign and give you opportunities to network with other nonprofits who are doing the same.
